When Purchaser is done using this cat for breeding, it is to be offered back to the Seller at no cost except shipping expenses to the Seller before spaying or neutering.

If this contract is breached in any way, Purchaser will owe the seller a fee of \$2500US for breach of contract to the Seller, Becky Beckmann, over and above the original price each and every time the contract is breached. Once the contract is breached, Purchaser is to surrender the cat/kitten back to the Seller without refund and at the Purchaser's expense with signed Transfer of Ownership.

Purchaser agrees that if any legal action needs to be taken that all legal fees will be Purchaser's responsibility for both parties and it will be held in seller's current state and county of residence.

The cat/kitten will come with a Minnesota State Health Certificate stating it is in sound health upon arrival. It is recommended to have the cat/kitten examined by a licensed veterinarian within 72 hrs of arrival. If it is found to be medically deficient with an untreatable or life-threatening problem, it must be reported to the seller immediately. Upon its return, it will be replaced with another cat/kitten of equal value. No cash refunds. The cat/kitten cannot be returned after the guarantee period has expired and/or if it has been exposed to another cat which has not been currently tested for FeLV and FIP. There are no guarantees against FIP. It is the responsibility of the buyer to provide immediate veterinary care to any cat/kitten showing signs of illness or distress and failure to do so will render any guarantee null and void. If a cat/kitten dies within the guarantee period, despite medical treatment, a replacement will ONLY be given if a veterinarian certifies the cause of death. All veterinarian fees are the sole responsibility of the Purchaser.

This cat/kitten is guaranteed against congenital defects for 24 months from its birth date. Should the cat die within that time as a direct result of a congenital defect, the cat will be replaced ONLY if an appropriate necropsy is performed by a licensed vet and a vet's certificate is provided as proof of cause of death. A replacement will be made of a cat of comparable quality and value, as available, at the discretion of the breeder. This kitten is guaranteed against HCM until the cat is 24 months old.

There are no guarantees given on future health, show achievements, or reproduction capabilities of cats/kittens sold with breeding rights. Seller verifies that there are no precluding reasons why a kitten/cat sold with breeding rights should be unable to produce/sire normal litters. If however, a kitten/cat sold with breeding rights is unable to sire/produce young after 2 years of age and several breeding attempts with proven, fertile cats, tests will be done at the expense of the new owner to determine fertility. If testing finds this cat to be sterile, due to a congenital problem such as malformation or absence of organs, the Seller will replace the cat/kitten with one of equal quality. The said kitten/cat will be returned to the Seller prior to sending a replacement kitten. Queens are not guaranteed if a proven male does not reside on premises. There is no guarantee against pyometra. The process of breeding is not to be taken lightly, and breeders must take measures to educate themselves on the subject. No replacement will be given for any cat that has been bred and produced a litter (purebred or otherwise). If there is a question of whether the cat has been used for breeding, Purchaser agrees to grant Seller full access to veterinarian and TICA records.

This contract, and all guarantees, will be null and void unless the signed contract is returned to the seller within 2 weeks. This contract is legally binding to all parties involved. It applies only to the Purchaser and Seller in this transaction and is non-transferable to other parties. If this kitten/cat is resold to another individual, this contract is null and void. The buyer agrees to the terms and conditions, and to pay as stated. Any balance carried over 30 days is subject to 1.5% service fee and 18% APR. In the event of default, the buyer will be legally liable for any reasonable attorney and/or collection fee and all related costs necessary to remit the entire balance to the Seller.

If Buyer or Seller commences any legal action as a result of this contract, Buyer agrees that the place of venue of such action be in Hennepin County, Stacy, Minnesota. Any legal fees, expenses, disbursements, and all other costs related to upholding this contract will be paid by the Buyer.
