

## **BRINGING HOME A BENGAL KITTEN**

**BRING A SMALL CRATE TO SAFELY CARRY YOUR KITTEN HOME. IN COLD WEATHER HAVE A BLANKET TO COVER THE CRATE. HAVE A SMALL ROOM PREPARED FOR YOUR NEW KITTEN. THIS IS WHERE THE KITTEN WILL BE FOR THE NEXT TEN TO FOURTEEN DAYS. THIS IS FOR THE KITTEN TO GET USED TO YOU AND ITS NEW ENVIRONMENT. THE KITTEN NEEDS TO BE CONFINED SO IT WILL KNOW WHERE ITS LITTER BOX, FOOD AND WATER IS. IT IS ALSO A GOOD IDEA TO HAVE SOME SORT OF CAT TREE FOR THE KITTEN TO CLIMB ON AND KNOW THAT THE TREE IS HIS/HERS. THE FOLLOWING ITEMS ARE WHAT WE FEED THE KITTENS AND USE FOR LITTER.**

- 1. USE A TOTE FOR A LITTER BOX. WE USE WOOD PELLETS. THESE CAN BE PURCHASED AT MENARDS.**

- 2. ROYAL CANIN KITTEN FOOD. KEEP THIS AVAILABLE TO THE KITTEN AT ALL TIMES. OF COURSE PLENTY OF FRESH WATER. WE ALSO FEED THE KITTEN A SMALL AMOUNT OF WHOLE GROUND CHICKEN. YOU CAN MIX IN A SMALL BIT OF FANCY FEAST CANNED FOOD FOR FLAVORING. WE COOK THE CHICKEN IN THE MICROWAVE. THE CHICKEN CAN BE PURCHASED AT WOODIES PET DELI OR OTHER COMPARABLE DELI'S NATION WIDE.**
